

## **St. Luke's Thrift Shop Re-opening Guidelines**

ST LUKE'S THRIFT STORE WELCOMES YOU BACK ... LET'S BE SAFE FOR EACH OTHER.

During this first phase of re-opening, we have instituted a number of safety protocols that must be observed in order for the shop to remain operational:

- From Tuesday, July 7 our opening hours are **Wednesday to Saturday: 10 am - 4 pm**. We happily accept donations in store during these times. Please do not leave donations outside when the shop is unattended.
- All customers **must** wear PPE – masks and gloves - to enter and shop in the store **without exception**.
- A maximum of Six (6) customers may be in the store at any one time. Please observe the social distancing decals that have been placed on the floor and remain 6ft from one another at all times.
- We hope that you will find something wonderful to take home with you today, but if not, please keep your browsing to a maximum of 25 minutes, as a sign of respect to those waiting outside to take your place.
- Please keep the handling of goods to a minimum. We regret that items of clothing and accessories may NOT be tried on.
- For your and our staff's safety, the Store is deep-cleaned daily and open surfaces are disinfected every hour.
- In line with best practice, we have installed plexiglass screening around the desk area. We also prefer contactless payment during this period. The credit card machine and register are sanitized after every transaction.

**If you are feeling unwell or are displaying symptoms of CoVid 19, please do not visit us at this time. Instead, we invite you all to shop at our online store: [stlukesthiftshop.myshopify.com](https://stlukesthiftshop.myshopify.com). New items added daily.**

Questions? Call: 212.924.9364 or email: [thriftshop@stlukeinthefields.org](mailto:thriftshop@stlukeinthefields.org)

**WE'RE READY TO WEAR & SHARE AGAIN. SAFELY.**
